## ***Have you ever thought about your child's Danish Citizenship?***

Reintegration is getting harder in Denmark. Most children raised abroad will lose their Danish citizenship, if they cannot prove a special bond (tilhørsforhold) to Denmark when they turn 21 years old.

By enrolling in the Danish School, you can provide your child with a choice to keep the dual citizenship.

**We are the special bond to Denmark!**

## ***What do we offer?***

The Danish School in Washington DC, offers a curriculum that will teach student from 3 years old to adult classes, everyday Danish (hverdagsdansk) from a mix of conventional Danish teaching methods, cultural experiences, fieldtrips and fun!

We take pride in celebrating and learning about Fastelavn, Lucia, Easter, Lucia, and Christmas the Danish way.

## **Tuition fee and registration**

The tuition cover the entire school year from September 2011 to may 2012. The tuition is \$ 900 with different discount options for early registration and sibling's discount.

The tuition cover supplies, fieldtrips and cultural activities. You can download the registration form at the website or contact the school anytime for details.

### ***For the kids – not for profit.***

The Danish School is a non-profit org. which operates through tuition fees and fundraising activities.

***Consider donations through our website.***
